before

“After many years of gradual weight gain, Kimberly and I decided to make a change during the New Year. We both were very surprised, after the first two days, at the change in our emotions, attitude and the ease in following the program. We both have more energy, more strength, improved outlooks on life and just feel better. I have lost 40 lbs, Kimberly has lost over 20 lbs and our 18-year old daughter McKenna has lost 23 lbs. When you follow the program, it works every time – no “ifs, ands, or buts” about it!

“The best thing that ever happened to me was trying the Clean and Lean program. It was hard at times, but the plan made it easier, and it eventually became a habit. I have retrained my body to eat when I need to, not when I want to. I’ve lost 18 lbs and a total of 13.25 inches, and I feel great. Clean and Lean will change your life or the life of someone you know. It’s life-changing and it works!”
